

NHS Trusts – Various Locations Across London & The Surrounding Areas.

Are you a locally registered general nurse with an interest and passion to pursue a new career as a Mental Health Nurse in the UK with the National Health Service (NHS)?

If so, StawiHealth would like to hear from you! Get in touch. No Mental Health experience required, just a genuine interest and commitment to pursuing this new career with the UK's National Health Service in London 🧑🏻🧑🏻 and the surrounding areas:

Whatsapp: +447366140004

Email: nurses@stawihealth.co.uk

Web: <https://stawihealth.co.uk>

FIVE JOB REQUIREMENTS:

- 1) Minimum one years' registered nurse experience – Mental Health experience would be great but IS NOT essential.
- 2) IELTS or OET English pass.
- 3) Diploma or BSC holder. Locally registered. Your local nursing qualification DOES NOT NEED TO BE IN MENTAL HEALTH.
- 4) Willingness to register as a UK NMC mental health nurse – StawiHealth will financially support this process. Nurses who have already registered with the UK NMC as adult/general nurses can make a switch to UK mental health nursing registration. The UK NMC permits this – it is a straightforward switch and StawiHealth will provide the necessary guidance.
- 6) A genuine interest and passion in the field of psychiatric nursing.

No AGENCY FEES payable by candidate to StawiHealth.

WHY WORK IN LONDON?

- A very multicultural city – every third person in London was borne outside the UK!
- Over 40% of Greater London is green – you are never far from open parkland areas to enjoy!
- Excellent transport links – the tube (underground), overground trains, trams, 24 hour bus routes. You can even choose to live outside London in a cheaper area and commute into work daily.
- World class NHS services and career opportunities.
